

APRIL 1: TARGETED PAY RAISE

Enlisted troops in grades E-5 through E-7 and some warrant officers in all grades will get a second pay raise next year effective April 1. These targeted raises will range from less than 1 percent to 8.3 percent on top of the 2.2 percent increase they will receive Jan. 1. If no figure is listed in a pay cell, service members in that cell will not get a targeted raise. Monthly military pay rates as of April 1 for those who will receive targeted raises:
